FRAPIDO VAN V55, 2016, 2.3 LTR FIAT DUCATO 130 MULTIJET, MANUAL 6 GEARS. This 3 berth campervan with 4 belted seats, has only covered 36800 km and is in fantastic condition. This model is beautifully finished with gloss cabinets and light coloured upholstery which gives it a modern and bright feel. This van has been well thought out when it comes to the layout. The interior is cleverly designed to use the space well. At the front of the vehicle you have a spacious dinette area, the two front Captains seats easily swivel to become part of the lounge and dining area, the clever table has swing out section that enables all 4 people to sit and dine in comfort. The fully equipped kitchen is located by the sliding door, it has a 3 burner hob and sink combination, 3 way Dometic fridge with a freezer compartment and plenty of storage space by way of drawers and cupboards. The washroom is a decent size with a wash basin, cassette toilet and vanity unit. Opposite the washroom is the separate shower area, the wardrobe uses the same space and can be opened from either side when the shower is in use. When not in use, the wardrobe closes into the shower room meaning you get a large storage space as well as a shower. At the rear of the vehicle is a double bed that can also be adjusted to allow for more storage space. This great camper is also equipped with a SOLAR PANEL, TV, AWNING, REVERSING CAMER. The cab boasts air con, electric windows, cruise control and CD/Radio. All windows(including the cab) have blinds and the habitation windows have flyscreens too, including the main door.
